## **FCU Named One of BC's Top 100 Employers**

**For the fifth consecutive year, First Credit Union, now part of Vancity, has been named one of BC's Top 100 Employers by Mediacorp Canada.**

**February 11, 2026, Territories of the Skwxwú7mesh Úxwumixw, K'ómoks, Qualicum, Tla'amin, Klahoose, and Homalco First Nations, BC** – First Credit Union (FCU) has once again been named one of BC's Top 100 Employers by Mediacorp Canada Inc., organizers of the national *Canada's Top 100 Employers* project. Receiving this honour for the fifth consecutive year underscores FCU's ongoing commitment to providing a supportive and respectful culture that prioritizes its employees.

Now in its 21st year, BC's Top Employers is a special designation that recognizes organizations that lead their industries in creating exceptional workplaces. Selections are based on detailed employer submissions and an independent evaluation by Mediacorp editors. Employers are evaluated on eight criteria:

- Workplace
- Work Atmosphere & Social
- Health, Financial & Family Benefits
- Vacation & Time Off
- Employee Communications
- Performance Management
- Training & Skills Development
- Community Involvement

First Credit Union is proud to be recognized among a select group of financial institutions. This year's recognition is especially meaningful as FCU's merger partner, Vancity has also been named a BC Top Employer. The shared recognition highlights a strong alignment in values, culture, and commitment to employee well-being, reinforcing the cultural fit between the two organizations. As part of Vancity's Community Banking Division, FCU

continues to build on its strong, people-focused culture while maintaining its deep local roots and community commitment.

*"Being recognized for the fifth year in a row speaks to the culture our team has intentionally built, where people feel supported, respected, and connected to our purpose," says Adam Fraser General Manager, Inclusive Banking. "It is particularly meaningful to see both First Credit Union and Vancity recognized this year, as it reflects the strong alignment in values that brought our organizations together."*
